How to Support Programming at The Fountains at Hosanna

The Ebenezer Society Foundation

The Fountains at Hosanna is managed and staffed by Ebenezer, a trusted name in Minnesota for providing quality senior services since 1917. A faith-based, not-for-profit organization, Ebenezer is part of Fairview Health Services. The Ebenezer Foundation serves as the liaison between Ebenezer and our generous family of donors. We raise funds to support programming to fill the "invisible needs" of those we serve. Our strong partnerships with donors allow us to improve and expand our services for residents, update and add new sites, provide vital community resources and invest in cutting edge innovation and state-of-the-art technology. Ebenezer's mission is to heal, discover, and educate for longer, healthier, meaningful lives and the Foundation fulfills that mission by providing funds to programs throughout Ebenezer to enhance the lives of seniors through activities and programs.
